

Arriving for your Sunset Island Vacation

Welcome, and we hope you have a fantastic stay at our house and on the island. Below are a few notes to make your arrival smooth so you can start relaxing!

Check-in time is 3:00 and there will be a professional cleaning team in the house prior to your arrival. Be mindful of this and go to the beach or get something to eat if you are early.

When you arrive:

- Take Route 90 which is marked for points north in Ocean City. This will bring you into Ocean City at 61st Street.
- Take a left on Coastal Highway and then another left at 67th Street. Proceed to the Sunset Island Guardhouse in about a block.
- Tell the staff you are guests of 3 Canal Side East. They will direct you to the management office to pick up passes.

Directions to the house:

- The management office is on Sunset Island Drive. Follow Sunset Island Drive around as it passes between some condominium buildings.
- You'll see the pond, interactive fountain, and Corner Store on the left.
- You'll come to a stop sign. Go straight.
- Canal Side Mews East is the next right and we are the second town home on the left. Parking is in the rear in the driveway and garage.
- You will be sent the garage door code and house keys with receipt of final payment.

House Keeping items:

- Trash days are Tuesday and Friday. Pull the trash can to the end of the driveway.
- We have a wireless network in the house. Login instructions are by the television in the family room.
- We have provided all sorts of cleaning materials and light bulbs under the sink

and in the cabinets. Feel free to use as needed.

- There is a small gas grill in the garage. Ocean City code requires no grilling within 30 feet of a structure. Please be aware as there is a big fine for violations. There have been 2 small propane tanks provided. If you use the last of the propane, please replace for the next guest. There is an Ace Hardware on 68th Street and it should be \$10 tops.

Departure Day

I know you have a sunburn, ate too much, and the kid's are probably driving you crazy, but let's assume that otherwise you had a great time!!

Here are some helpful hints on wrapping up your stay.

- Check out time is 10:00. Please be as prompt as possible as the cleaning team needs time to prepare for our next guests.
- Please put all television remote controls on the stands next to the sets.
- Return all furniture to where you found it (including deck chairs).
- Make sure the house is picked up and ready to be vacuumed.
- Make the beds.
- Remove dishes from sink and load and start the dishwasher.
- Put all trash in bin provided in the garage.
- Clean out refrigerator and pantry.
- Close and lock all windows and doors.
- Store beach items provided and grill in garage.
- Close garage door

Call us or send us a note when you are ready to book for next year!!
